

A hotel at Venice's heart

The Splendid Venice hotel is based in the historic center of Venice, with the city's must-see sights and hidden treasures all within your reach. Just a short stroll or gondola ride will take you to Venice's most iconic sights: San Marco square and the Rialto Bridge. What's more, because the hotel is tucked away among quiet canals close to the fascinating mask shops of the famous Mercerie street, it's refreshingly peaceful for such a central Venice hotel.
